

PREMIER Dance & Ballroom Academy 2026-27

Tuition & Fees Document for Ballroom Competition Teams

We received some feedback about the structure of how we used to bill for things, and we listened! We are excited to announce that beginning this season, Premier has restructured our fee schedule to make budgeting easier for our families. Rather than being billed separately as they came due throughout the year, the following fees are now combined into one total amount, divided evenly across nine monthly payments:

- Regular Season Tuition (End of August–April)
- August Boot Camp & Extra Before-School Practices
- Track A **OR** Track B Student
- *Team Competition Fees associated with their team (Does NOT include entrance into competitions)*
- All Performance Fees: Winter Performance Festival of Trees & Spring Concert
- Unlimited Studio Practice
- Team Photos
- Medal Exams

The only fees that remain billed separately are the **registration fee**, **July technique classes**, and the **costume fee**. This structure allows families to plan ahead with a consistent, predictable monthly payment from the start.
